Goodwill Career Centre: Workshop Outline

Networking with the Job Developers	Meet with Goodwill Job Developers to improve your job-seeking skills, discuss job leads and network with other job seekers. Participants who attend networking consistently find jobs faster than those who do not participate! No registration is required.
Better Jobs Ontario (BJO) Information Session	Complete information session about the Better Jobs Ontario (BJO) program. Attend virtually and see if you qualify. Bring all your questions and they will be answered by our specialist.
Creating an Effective Resume	The resume is the base requirement for any job application and its importance cannot be overstated. Join us each week in this interactive workshop to learn how to make your resume effective, and land that interview you have been waiting for. We will examine the different resume styles to determine the best fit for you, discuss the importance of tailoring your resume, and provide you with the information you need to get past the Applicant Tracking System.
Succeeding in your Job Interview	Can't seem to get beyond the interview to land the job? In this interactive workshop, you will have the opportunity to practice your interview answers in a safe and supportive environment. Our facilitators will provide you with proven techniques for answering common interview questions and the feedback you have been looking for to improve your interviewing skills.
Strategies for a Successful Job Search	Being successful in the modern job search requires strategic decision-making and the right information. From understanding your employment services team and setting SMART goals to staying motivated and organized, this workshop will cover everything you need to know to get started and be successful in your job search.
Navigating Indeed and Other Job Boards	Find useful tips and tricks for utilizing online job search tools to their full potential. Discover the best methods for finding jobs, avoiding spam, getting the necessary information to target your resume and applying via the most direct and effective means. This workshop focuses on Indeed but also explores the Canada Job Bank, Municipal sites, LinkedIn, Company websites, etc. You will learn to approach the job hunt in an efficient and targeted manner to maximize results.
Job Success and Retention: The Core Principles	Discover essential insights on workplace retention, the nuances of Canadian work culture, and the importance of pay stubs. Learn valuable skills in self-management, understand the different types of supervisors, and gain the confidence to navigate your career path—whether that means excelling in your current job or knowing when it's time to make a change. Don't miss this opportunity to equip yourself with the knowledge and tools needed to succeed in Canada's diverse job market!
